Dated this the 22nd day of November 2006

JUDGMENT

Eventhough in the entrance examination petitioner has acquired sufficiently high rank to secure admission for L.L.B. Petitioner could not participate in the Centralised Allotment Process. According to the petitioner, petitioner does not have computer facility. Government Pleader pointed out that no other student has come forward with such an excuse. However, since admissions are not over and since petitioner has sufficiently high rank, I feel petitioner should be given one more opportunity for availing admission without affecting those who have already been allotted. Second respondent is therefore directed to consider petitioner for allotment to any of the remaining vacancies without affecting those who have already been allotted.

Writ petition is disposed of.
